Mr. Jeff Block
One Innocent Life
319 Thomaston Road
Watertown, CT 06795

Dear Mr. Block,

On behalf of the Commission on Fire Prevention and Control it is my pleasure to write this letter in support of One Innocent Life's mission, to raise the awareness of fire safety, in on and-off campus housing to college students and parents.

The Commission and Office of State Fire Administrator fully support and recognize the need to continually raise awareness about fire safety. It is recognized that fire safety education is an effective method of reducing the occurrence of fires and reducing the resulting loss of life and property damage.

We look forward to working with One Innocent Life in their efforts to seek external funding to support their educational programs as well as assisting them in promoting fire safety education to student, parents, colleges and the community at large.

Sincerely,

Jeffrey J. Morrissette
State Fire Administrator
