Dear Mr. Block:

It is my pleasure to be writing this letter in support of One Innocent Life's mission to educate college students and parents in an effort to raise awareness of fire safety for both on and off campus college housing.

As the Fire Chief, I recognize the need to raise awareness concerning fire safety for citizens, visitors and students of North Haven. I fully support the efforts of One Innocent Life as they seek external funding to design, publish and advertise a program intended to correspond with their mission statement. Any program that helps to educate our students to make better decisions with regard to the dangers caused by fire and the associated consequences that follow will help to benefit our parents, students, colleges and the community at large.

Sincerely,

Paul Januszewski
Fire Chief
