March 21st, 2016

Dear Mr. Block,

It is with my pleasure to be writing this letter in support of One Innocent Life's mission, to raise awareness of fire safety to college age students and their parents in regards to on and off campus housing.

As Fire Chief of the City of Shelton Fire Department it is recognized that the need to raise awareness about fire safety is invaluable. I applaud Mr. Block's efforts with his program, and his work with leaders within the firefighting community, state and local officials and the public at large in working to improve building and fire prevention codes and standards through legislation that enhance smoke detection, carbon monoxide detection and residential home sprinkler installations.

I support the efforts of One Innocent Life as they seek external funding to support a program designed to raise the awareness to students and parents of fire safety in on and off campus housing. Any programs that can help students make better decisions about the dangers of fire and its consequences will benefit our parents, students, colleges, and the community at large.

Sincerely,

Francis T. Jones III
Fire Chief
Shelton Fire Department
