Dear Mr. Block,

It is my pleasure to be writing this letter in support of One Innocent Life's mission, to raise the awareness of fire safety in on and off house campus housing to college students and parents.

As the President of the Connecticut Career Fire Chiefs Association I can report that our association agrees that the need to raise awareness about fire safety is invaluable.

I fully support the efforts of One Innocent Life as they seek external funding to support a program designed to raise the awareness to students and parents of fire safety in on and off campus housing. Any programs that can help our students make better decisions about the dangers of fire and its consequences will benefit the parents, students, colleges, and the community at large.

Sincerely,

Douglas F. Jackson
