Dear Mr. Block,

It is with my pleasure to be writing this letter in support of One Innocent Life's mission to raise college students' and parents' awareness of fire safety practices in on-campus and off-campus housing.

As the Fire Chief of Willimantic, Connecticut, I support the efforts of One Innocent Life to seek external funding to support a program designed to raise the awareness to students and parents of fire safety in on-campus and off-campus housing. Programs such as this that can help our students make better decisions about the dangers of fire and its consequences will benefit parents, students, colleges, and the community at large.

Sincerely,

Marc A. Scrivener
Fire Chief
