Dear Jeff:

It is my pleasure to write a letter of support for One Innocent Life's mission to raise awareness of fire safety in on-campus housing and off-campus housing to both college students and their parents.

As the Fire Chief and Emergency Management Director for the Town of Westport, I recognize the invaluable need to raise awareness about fire safety and prevention.

I completely support the efforts of One Innocent Life as they seek external funding to support a program designed to raise the awareness of students and parents of fire safety in campus housing. Any programs that can help our students make better decisions about the dangers of fire and its consequences will benefit everyone including parents, students, colleges, and the public at large.

Sincerely,

*Andrew Kingsbury*
