Dear Mr. Block,

It is my pleasure to be writing this letter in support of One Innocent Life's mission, to raise the awareness of fire safety in on and off campus housing to college students and parents.

As Chief of the Norwalk Fire Department it is recognized that the need to raise awareness about fire safety is invaluable.

I fully support the efforts of One Innocent Life as they seek external funding to support a program designed to raise the awareness to students and parents of fire safety in on and off campus housing. Any programs that can help students make better decisions about the dangers of fire and its consequences will benefit parents, students, colleges, and the community at large.

Sincerely,

A handwritten signature in blue ink, appearing to read "LPR", is written over the typed name.
