Dear Mr. Block,

I am writing this letter in support of One Innocent Life's mission to raise the awareness of fire safety in on/off campus housing to college students and parents.

As the Fire Marshal of Hamden, CT I recognize the need to raise awareness about fire safety to all citizens.

I fully support the efforts of One Innocent Life as they seek external funding to support a program designed to raise the awareness to students and parents of fire safety in on and off campus housing. Any programs that can help our students make better decisions about the dangers of fire and its consequences will benefit our parents, students, colleges, and the community at large.

Sincerely,

Brian Dolan  
Fire Marshal
